Cashflow management for business health Cash is the blood flowing through the body of a business. Lack of cash hampers efficiency, endangers future plans and, in some cases, the very existence of a business.

Our trusted and credible business experts can review:

A critical examination of cashflow threats; Opening balance sheet; Working capital cycle; Capital and recurring payments; Sales forecast Stock

You'll receive a <u>written report</u> and a <u>feedback session</u> showing how you can:

Take action to effectively manage cash, achieve buy-in from others, inform management decisions with reliable cashflow forecasts, improve your banking relationship, control risk

THE REVIEW:
